\* For the time being I will keep the list for the two yacht clubs. Eventually a phone reservation will be required at Maryland YC.

\*\* Note that Herrington Harbor-North wants a phone call with a credit card in the next 30 days or they will remove the hold on the slips. Yes, this is a bit much, but it is their marina.

### August 4 – 6

#### Cape Charles Shuck-N-Suck

This event fills up the Oyster Farm Marina with many HYC boats already having made reservations. There is a waiting list but cancellations do occur, so call the marina at 757-331-8640.

### September 15 - 17

#### Onancock

Continue to enjoy the Summer by spending the weekend with us at Onancock Marina. A number of slips have been reserved. The marina's number is 757-787-7911.
