

HYC Adult Sailing Charge Form

The Sonars, 420s, O'pen Bics and Optis will be available for any use by members who have selected to sign up and submit this form to the Sailing Director. I agree to have my member # billed \$15/month for a full year, a one-time charge of \$180, or \$15/event. I realize this is a full 12 month commitment. I realize that while this agreement is for "unlimited use" of the SONARS, the Sonars may not always be available due to other programs using the boats. If I chose to at the end of the contract, I can renew the Adult Sailing monthly payment by simply filing out another form.

I chose to have my account billed (Circle Payment Option):

\$15/month

One-time charge of \$180

\$15/event
