2018 WEDNESDAY NIGHT SERIES

April 4, 2018 through September 26, 2018

The Hampton Yacht Club (HYC) will again host its informal Wednesday Night Race Series. Starts will be provided for three different fleets: two Non-Spinnaker and one Spinnaker fleet. The Non-Spinnaker fleets will be split at PHRF rating **145**. Any boats not sure of their rating should check with the Sail Captain. The Order of Starts will be: Slow Non-Spin; Fast Non-Spin; Spinnaker.

We will use the **RRS 26 Starting System** and plan to maintain the much-enjoyed informality of the series. The race format, similar to previous years, is described in a separate Race Brochure.

All boats racing must conform to PHRF Near-Shore Safety and Equipment standards. No formal ratings or entry are required. However, sometime after **March 26th** each Skipper planning to participate is requested to stop by the HYC office to fill out the Entry Form/Waiver. Skippers are urged to please comply with this requirement before doing their first Wednesday Night Race.

A Race Brochure will be provided when you submit your Entry Form/Waiver. These brochures give all pertinent information regarding starting times, courses to be sailed, and procedures to be followed. There is no entry fee for the series. All boats meeting required standards, regardless of yacht club affiliation, are welcome and invited to participate.

John McCarthy is HYC Sail Captain and Wednesday Night Chairman. He can be reached at (757) 850-4225.

Socials

All skippers and crew are invited to enjoy food and beverages in the HYC lounge following racing. Visiting boats may raft at the end of the HYC piers, come inside, and enjoy the post-race social. An attractive selection of food and beverages will be available at reasonable prices. Please note and follow the automobile parking restrictions outlined below.

Parking Restrictions:

Only members of HYC who have a valid parking decal may park in the HYC lots. Non-member vehicles must be parked on the street. **Please note:** the parking spaces directly in front of the club entrance are reserved for club members dining at the club.
Towing of improperly parked vehicles will be enforced!

ABC Regulations:

A reminder on the ABC regulations under which HYC operates: All non-HYC members must be registered as a guest each time they visit HYC, whether they are on HYC or other boats.
